Final Payment, Medical and Consent Form, Itinerary and Requirements, Medication

Dear Parents/Carers,

Thank you to everyone who has paid the full \$360 for Year 4 Camp. If you have not please pay your \$50 deposit via the Sentral Parent Portal or sign note attached and pay by EFTPOS or cash at the school office by Week 9, **Wednesday 26 June**.

You are required to complete an online **Medical and Consent Form** for your child. This **must** be completed by Week 9, **Wednesday 26 June**. Any student who does not have the form completed is not covered legally while at Borambola and will not be permitted to attend the camp. Please complete the form at this link <https://officeofsport.ungerboeck.com/prod/emc00/register.aspx?eid=Z05HZWV6cjJCdGZGdkc3WUpKZXRNQT090>

(N.B. This note will also be emailed on the Sentral Parent Portal if you would like to access the link electronically.)

If you do not have access to the Internet, please contact the school and we will arrange for you to fill it in here.

The following information is to assist you and your child to prepare for the Year 4 Camp:

Departure: Students need to assemble on the COLA by 8:45am. Departure will be at approximately 9:15am on Wednesday 14 August to Friday 16 August 2024.

Return: We will return to Albury Public School at approximately 3:00pm on Friday 16 August 2024.

Mobile Phones: Please do not send a mobile phone with your child on this excursion, even to use as a camera. In an emergency, you can contact the Borambola Centre on 13 13 02 or (02) 6928 4300.

Medication at camp: Please ensure that any medication required by your child is given to **Mr Noah Spiteri** on the morning of departure. Please provide enough medication for the duration of the camp. All medication should be in its original packaging and clearly labelled with your child's name, the dosage and frequency. If you intend on sending medication for your child, please complete and return the attached note to front office by **Wednesday 26 June 2024**. This includes, but not limited to, travel tablets, hayfever tablets, melatonin etc.

Asthma and anaphylaxis:

Children with asthma need to bring their own peak flow meters to camp and carry their inhaler with them at all times. The epipens kept at school, for the students going on the camp, will be taken on the camp by the accompanying staff. Children with food allergies are required by Sport and Recreation to wear an identifying red wristband (which will be provided). This is an added precaution to assist staff when managing situations where food allergens may be present.

Bed wetting: If your child is prone to bed wetting, please advise your child's teacher in advance so staff can deal with the situation in a discreet and caring manner. If required, please provide a waterproof mattress protector or pull-ups.

Accommodation: Students stay in comfortable rooms or lodges with boys and girls accommodated separately. At least one visiting teacher will stay in a room nearby and will be responsible for student safety and behaviour. Students will be told which room they are sleeping in when they get to camp on the Monday.

Meals: Sport and Recreation's qualified catering team prepares nutritious and delicious meals so your child will never go hungry at camp. If your child has any special dietary requirements or food allergies, it's crucial that these are listed on the Medical and Consent form. Special diets are provided for medical conditions, religious beliefs and lifestyle choices such as vegetarians or vegans.

Sport and Recreation's Allergen Free Meals Policy requires anyone with an allergy or anaphylaxis reaction to a food, to wear a red wrist band for easy identification. Their meals are plated separately by the catering staff and collected from a designated spot to ensure policy compliance and to manage any risks.

You will need to provide lunch and a fruit snack for Monday only. All other meals are included in the cost of camp and will be provided by Borambola Sport and Recreation.

Outdoor safety: Every effort is made to ensure your child's safety and comfort while at camp. Sport and Recreation's SunSmart policy promotes wearing broad-brimmed hats and sunscreen and sun exposure is minimised during the hottest part of the day. Personal flotation devices (life jackets) are supplied by the Centre. Covered shoes must be worn when participating in all activities, including boating activities.

Accompanying Staff: Albury Public School staff members will attend the camp. The staff are Mr Noah Spiteri, Mr Trent Cooper, Mrs Katrina Whitehead, and 1 SLSO (to be advised)

What to pack:

Luggage: Luggage should be limited to one bag equivalent in size to airline 'carry on' luggage with maximum weight of 10kg and a separate sleeping bag, plus a small backpack (e.g. school bag) per child.
