

How to access Google classroom from home.

Your teacher will give you your user name and password (it is the same one you use to log in to the computers and internet at school).

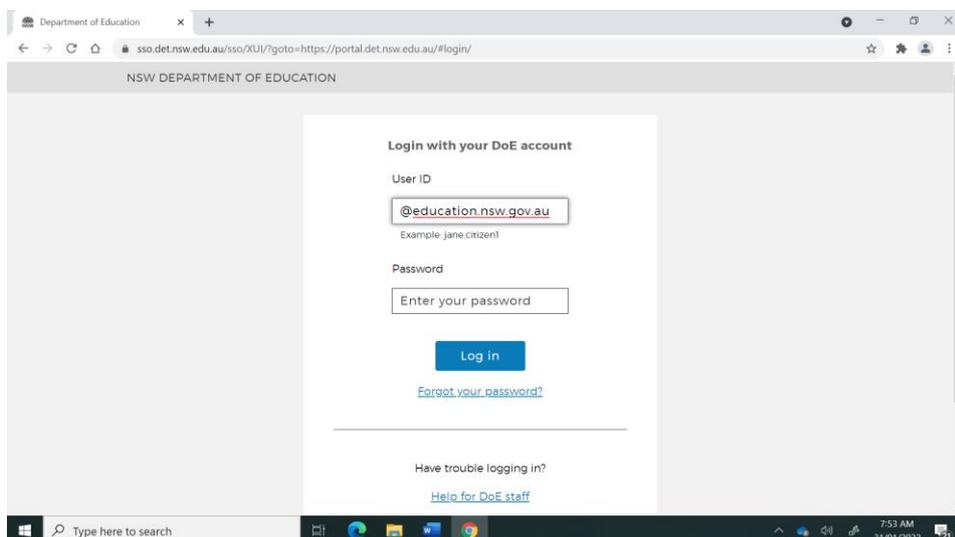

If you haven't already joined your google classroom at school your teacher will give you the classroom code to join.

Step 1 – Google DET student portal and click on the first link.

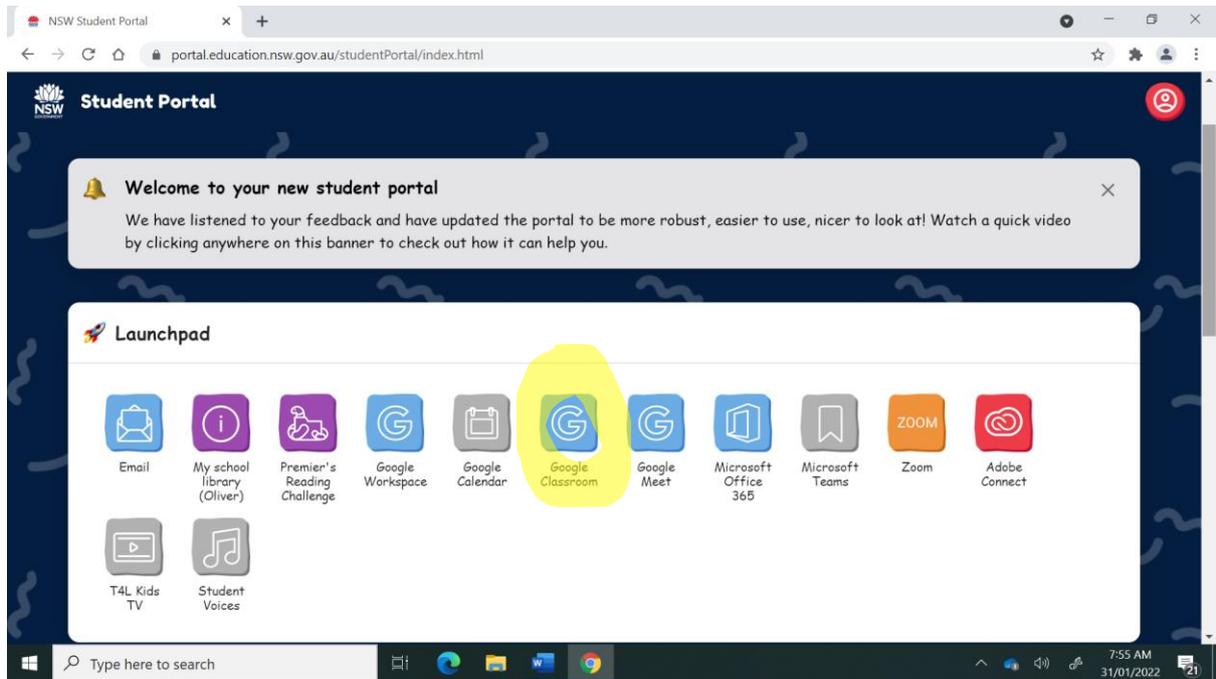

Step 2 – You will be taken to this screen (or you might be taken to the portal page where you will click log in, then you will be taken to this screen).

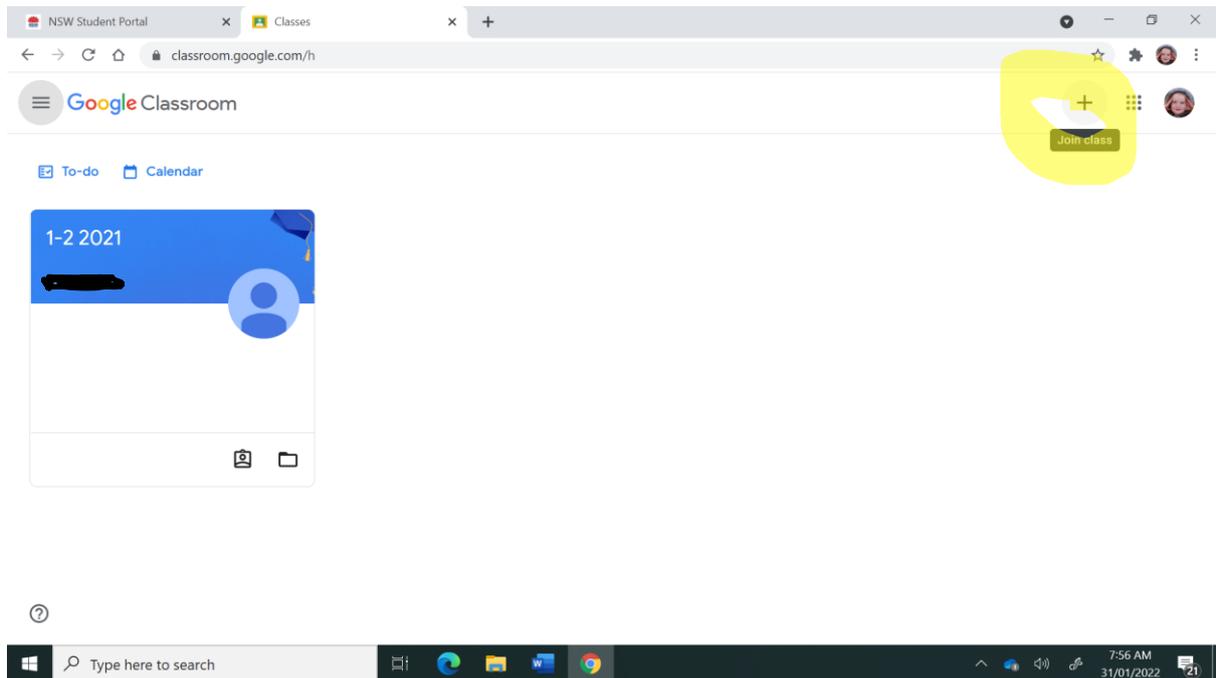

Enter your user name and password. (You may need to write @education.nsw.gov.au after your user name).

Step 3 – Click on the Google Classroom icon.

Step 4 – If you have already been linked to your classroom, click on the class. If you need to join a class click on the + sign.

Step 5 – Type in the class code your teacher has given you.

The screenshot shows the Google Classroom 'Join class' interface. At the top, there are browser tabs for 'NSW Student Portal' and 'Classes', and the address bar shows 'classroom.google.com/h'. A 'Join class' button is in the top right. Below, a user profile is shown with a 'Switch account' button. The 'Class code' section is highlighted in yellow and contains the text 'Class code' and 'Ask your teacher for the class code, then enter it here.' followed by an empty input field. Below this, instructions state: 'To sign in with a class code' and list two bullet points: 'Use an authorized account' and 'Use a class code with 5-7 letters or numbers, and no spaces or symbols'. A link to the 'Help Center article' is provided at the bottom.

Step 6 – Your Google classroom will look like this. Click on the classwork tab to find the learning set for you.

The screenshot shows the Google Classroom interface for a class named '2MB 2022'. The 'Classwork' tab is highlighted in yellow. The main header displays '2MB 2022' and a 'Customize' dropdown. Below the header, there are several sections: a 'Meet' section with a 'Generate link' button, a 'Class code' section showing 'nxqi2ff', and a list of announcements. The first announcement is 'Announce something to your class'. The second and third announcements are from 'Shannon Blair' and are titled 'Printable resources Week A' and 'Week A - Stage 1', both dated '8:02 AM'. The browser tabs at the top include 'Inside the department', 'Google G Suite @ NSW', '2MB 2022', and 'Google'. The system tray at the bottom shows the time as 8:03 AM on 31/01/2022.

Step 7 – Your classwork and the links to your learning will be organised in different topics. Click on the week you will be learning from and your learning tasks will be there.
