

Teachers at
our School!!!

At our school
we have lots of different
kinds of teachers,
SLSOs
and staff

Some are very
organised...

Some are very
sporty...

Some are very
creative...

And they are all very
good at teaching!

BUT!

We also have a special
kind of teacher...

He is fluffy

Sometimes
he licks

He might
Steal your
Food

And he gives
the best
cuddles

He is
No!

When Mo comes into your room
you have to make a choice...

Choose a green stick if you are
happy to have Mo near you

or an orange stick if you are
not comfortable with Mo yet.

Mo likes to watch you work,
and wants to help if he can.

He can't stay in the
room if it is unsafe
or if you
are being
unsafe

or too noisy

Remember, when he
is at school Mo is
working. You should
only pat him if
another teacher
says it's ok.

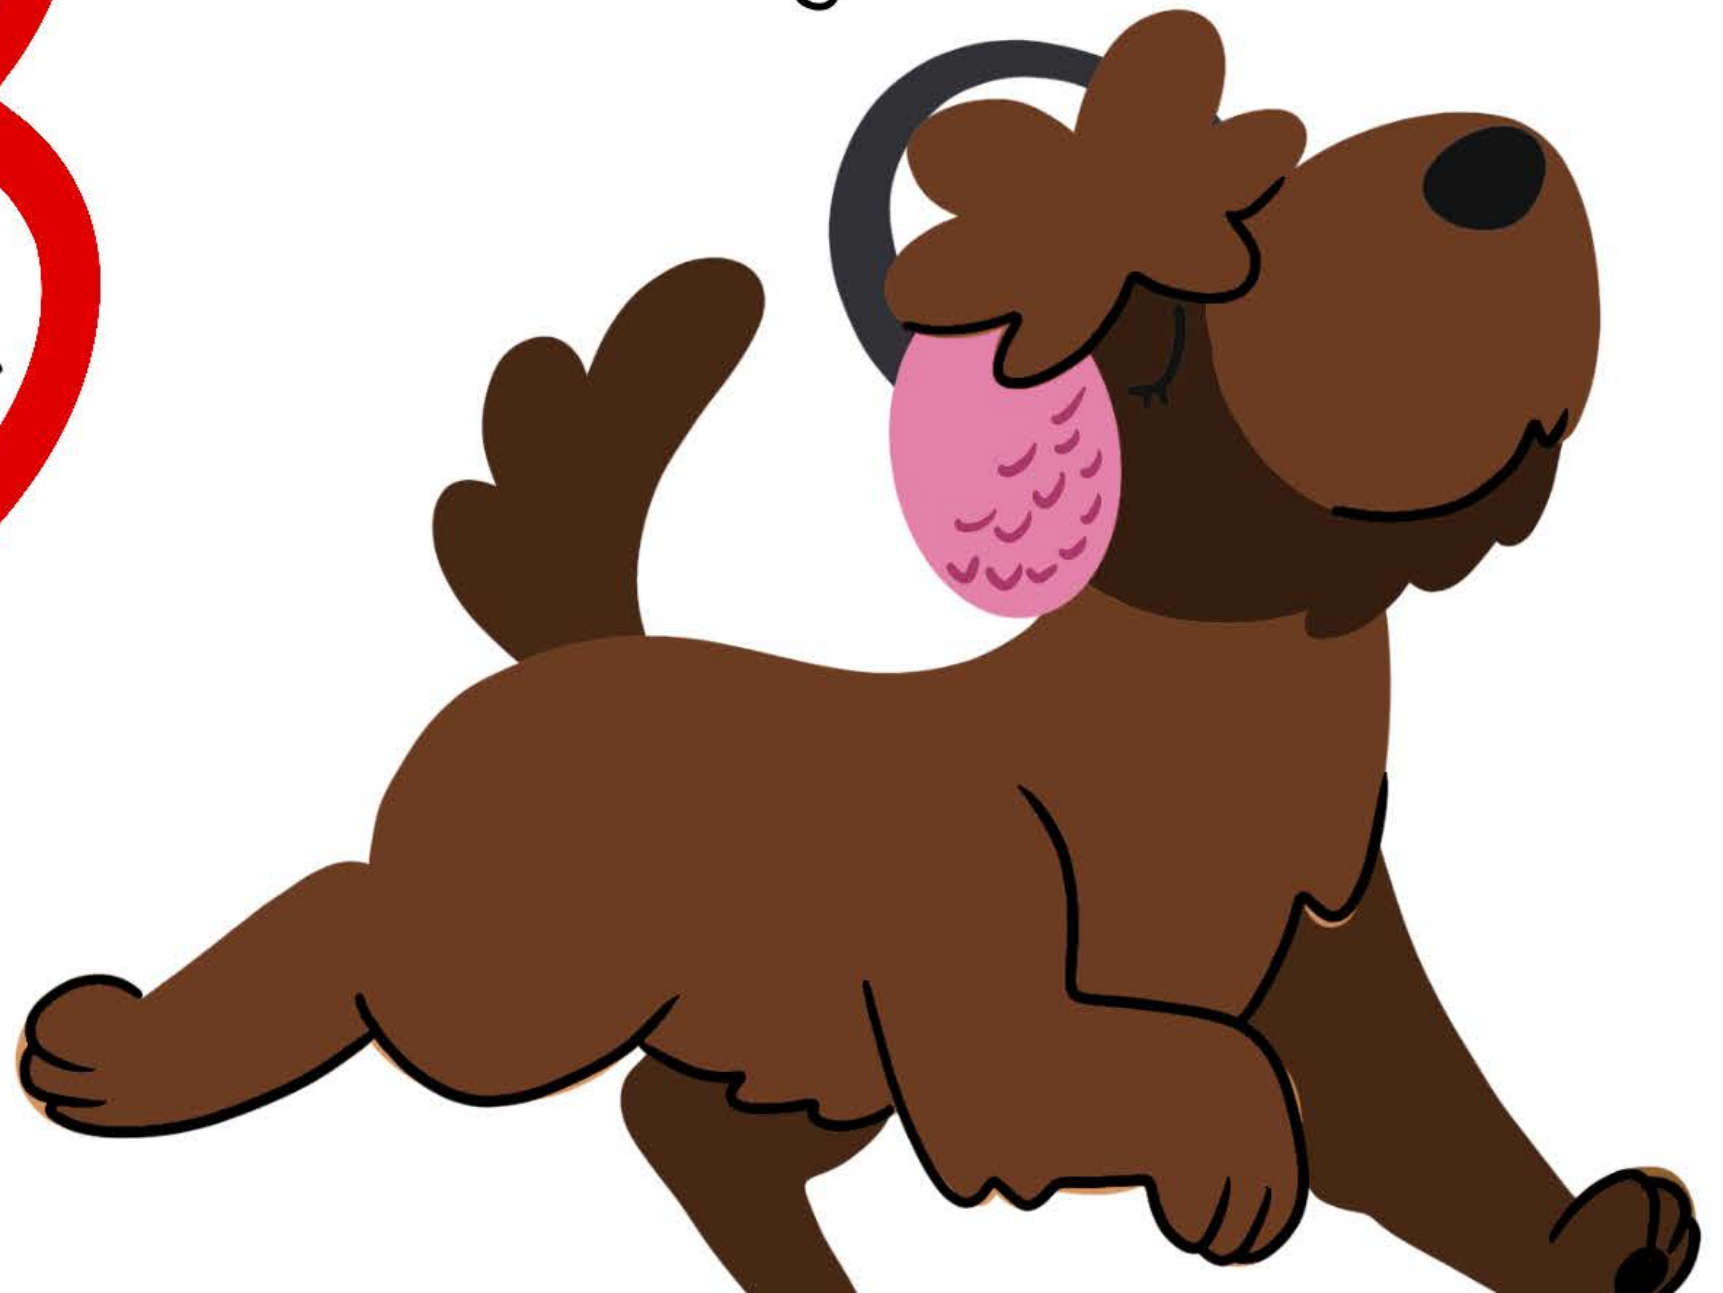

Hey
MO!

MO!

MO!

When he is in your room, don't call his name or stare.

Mo wants you to be the best student you can be, so your attention should be on your work.

Sometimes Mo needs
quiet time too!

If he sits on his mat, or
with Ms. Slabbert give him
some space.

He loves it when you let
him move around the room
so he can watch you work.

Just pretend
he's not there.

If we remember these
rules, Mo can help all
of us at Albury Public
School be the best we
can be!
