

Dear Parent/Carer

VOLUNTARY SCHOOL CONTRIBUTIONS

What is a Voluntary School Contribution?

A Voluntary School Contribution from parents and carers, is used to supplement existing funding. Our school relies on these contributions to provide additional resources and classroom supplies to ensure our students have the best possible learning opportunities and environment.

How Much?

The voluntary school contribution for 2023 will remain the same at \$45.00 per student. Please note that this equates to only a little more than \$1.00 per child per school week.

What Will The Money Be Used For?

Our school would welcome your contribution, as this will significantly enhance the resources made available to students in areas such as books for the library, craft supplies, readers and electronic learning equipment for students. These funds will assist us in implementing new priority programs, as well as maintaining all our ongoing programs.

How to Pay

Please place your contribution, together with the slip below, in an envelope and return it to the school office as soon as you are able. A receipt will be issued for all monies received.

Alternatively you are able to pay online through the school's website (www.albury-p.schools.nsw.edu.au) and click on the secure icon "\$ Make A Payment".

We also have EFTPOS facilities at the school.

Thank you for your ongoing support of our school.

Lianne Singleton
Principal
