## Expression of Interest for Parent and Community Helpers - Term 4

We are looking forward to inviting parent and community helpers to assist with reading and maths games in stage groups during Term 4.

Helpers will be asked to attend an information session with Georgia Jacobs and Leann Dicketts to understand the format and structure.

If you are interested and can commit to a weekly session, please complete the section below and return either to the school office or via email to [albury-p.admin@det.nsw.edu.au](mailto:albury-p.admin@det.nsw.edu.au)

If you have any questions, please contact Leann Dicketts at the school on 02 6021 3849.
