

Albury Public School

Principal: Lianne Singleton

Albury Public School Local area excursion information and consent form 2024

Dear Parents/Carers

The purpose of this note is to minimise the number of consent forms that you are required to sign throughout the year. Should any excursions occur that are outside the parameters outlined in this note, eg transport by bus, water activities, or a cost involved, an additional note will be given to students outlining specific details of the excursion.

During 2024, your child may be required to go on local area excursions to supplement the learning at school. All of these excursions will be held during school time, will commence and finish at the school, will involve supervised walking to and from the venue and will involve no cost.

Venues that may be visited include, but are not limited to: the Library the Museum, The MAMA Art Gallery, Performing Arts Centre, Council Chambers, local businesses, sporting fields and other facilities, and Albury High School.

During these excursions students will be required to wear full school uniform (or school sports uniform if appropriate). All excursions will be accompanied by staff who have emergency care training and all excursions will have the approval of the principal.

Lianne Singleton
Principal

Local area excursion information and consent form 2024 Please complete and return to the school office

I give my permission for my child _____ of class _____ to participate in local area excursions throughout the 2024 school year.

My child has the following medical conditions or allergies that you should be aware of. If necessary, please include specific details.

I authorise any medical aid if it is considered necessary by the supervising teacher.
