

*Welcome to Kindergarten  
Albury Public School*

*On the first day, go to the Kindergarten area in the West. This is where you line up in the mornings, after lunch and recess and at the end of the day. When the bell goes you will line up with your bag.*

*Look for a badge with your name on it at the Kinder tables. Put on your badge and say hello to your new Kindergarten teacher.*

*You may recognise some friends you already know.*

*The Kindergarten playground is closed in the mornings.*

*When the green flag is up you can play on the equipment.  
When the green flag is away, there is no play on the equipment.*

*The Principal, Ms Singleton  
may be there to welcome you to  
Albury Public School.*

*You will also see the Deputy  
Principal, Ms Kellett.*

*You will also see Mrs  
Brushe, the Early  
Stage I Assistant  
Principal (ESI AP).*

*Ms Heazlewood  
Learning and  
Support  
(LaST)Teacher*

*Mrs Hodgson  
LaST, English as an  
Additional Language  
or Dialect  
(EAL/D)Teacher*

*Ms Kellett will say line up with your teacher.  
It is time to say goodbye to your mum, dad, grandparent or carer.*

*See you after school at 3 o'clock parents and carers.*

*You will walk inside with your teacher and go to your classroom. The bag racks are outside the classroom for school bags and hats. Look for your name so you know where to put your bag.*

*There are four Kindergarten classrooms. All of them look a little different. What do you notice in this room?*

*You may not be in the same classroom you were in for orientation.  
Your new classroom may not look the same and that's okay.*

*You may not have the same teacher you had at orientation. It is okay to have a different teacher. You may be feeling a little nervous and excited.*

*Here is another Kindergarten classroom. Some rooms will have a coloured spot on the carpet for you to sit on.*

The teacher will tell you about the activities for the day. We call this a timetable, and it will have pictures too.

It is good to know when things are going to happen, like when it is time to eat your fruit, lunch and recess, and when to play outside.
