

26th July 2024

2MS

Dear Parents/Caregivers,

The students in Year 2 have been busy on Thursday afternoons, learning their dance steps for their part in the school's production, Dancing Through the Decades. Year 2 have been given the 2000s as its focus decade.

During the performances on 24 and 25 September, the students in 2MS will require the following costume items.

- A top with florescent colours (pink, green, yellow, orange)
- A pair of florescent leggings/ shorts
- Any extra accessories- bright colours (socks, headbands, bangles, scarves etc)

The school will provide the students with additional costume items at no expense to families.

Could you please make sure that your child in 2MS has the above-mentioned items. The students in Year 2 will be asked to bring these to school during Term 3 Week 9 for the class teachers to check. Please ensure that your child's clothing is clearly labelled with their name and class.

If you have any questions about the black clothing or your child's involvement in the performances, please contact your child's teacher.

Thank you in advance of your assistance with your child's costume requirements.

Mrs Simone Emerson- Smith

2MS Class Teacher
