

29 July 2024

Dear Parents/Caregivers,

The students in Year 2 have been busy learning their dance steps for their part in the school's production, Dancing Through the Decades. Year 2 have been given the 1920s and 2000s as its focus decade.

During the performances on 24 and 25 September, the students in 2MT will require the following costume items.

- Girls – jeans or black tights, hooded jumper, cap
- Boys – jeans or black tights, beanie and a long, baggy T-shirt

The school will provide the students with additional costume items at no expense to families.

Could you please make sure that your child has the above-mentioned items. The students in 2MT will be asked to bring these to school during Term 3 Week 9 for the class teachers to check. Please ensure that your child's clothing is clearly labelled with their name and class.

If you have any questions about the clothing or your child's involvement in the performances, please contact me through the school office or email.

Thank you in advance of your assistance with your child's costume requirements.

Alex Takle – 2MT Class Teacher
